

Top Select Volleyball Academy is proud to announce and congratulate Kristin Faust, outside hitter for the 17 Elite team, on her verbal commitment to Clemson University. Clemson University is a member of the ACC and is located in beautiful town of Clemson, South Carolina. Kristin's goal of playing for a major Division I school has been realized. This reward has come with years of hard work and an undying love for the game.

Kristin has been playing club volleyball since the age of 10. She started out as a libero and then became a setter. At the age of 12, she decided she wanted to be an outside hitter. When Kristin was 13, she began working with her new coach, German Del Valle. At the age of 15 Kristin led her team to a National Championship at the Junior Olympics and received the award of MVP of the National Tournament. German has been her coach for 4 years now and has been a critical factor in Kristin's success as a volleyball player and as a leader.

"I am so excited! My dream was to play at a major D-1 university. I believe Clemson is the perfect place for me. I love the campus, the cute little town, my future teammates and coaches. The way they take care of their athletes is amazing! There is so much tradition there.....it's going to be fun."

"I want to thank German for being my coach for these past 4 years. We have been through a lot of good times and a few tough ones and I feel like a lot of my success is due to his hard work and dedication to teaching us perfect volleyball. He never settles for anything less than us striving to be perfect. Sometimes he drives us crazy!"
"Thank you German...I love you!"
